

Surge Barn Inventory 2018-03-15

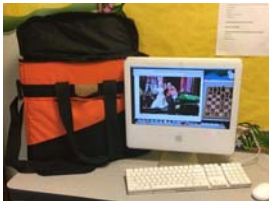

- Important: Please review. If you are listed as storing or receiving an item, make sure you have a place to store it. Coordinate with Greg J for removal.
- Tentatively, much removal will begin immediately after the April 22 celebration and farewell. If not needed for that event or other use at the Barn, please arrange with Greg J to remove items as soon as possible.
- Small items such as pantry and children's items that are to be stored for subsequent Surge use must be boxed and removed as soon as possible.
- Important: Items without a listed plan are to be given away, sold, auctioned, or abandoned to the buyer's disposition. If you have an idea for a recipient, especially a Christian organization or non-profit, contact Greg J.
- This list will be updated. Please report corrections and updates promptly to Greg J. "Blessed are the flexible, for they shall not be bent out of shape."
